## COMMUNICATION

Not only do I have a couple years worth of managerial experience, I have also consistently been studying myself, updating my vocabulary, and communicating more frequently to enhance my social situation skills. Also have focused extensively on how I can better communicate with employees, customers, and class mates.

## LEADERSHIP

Capable of managing a team while allowing every member an equal opportunity to succeed. At the University of Kansas there are many group coding projects that have improved my leadership skills that I'll occasionally look back towards for quick reference.
